

# Correctional MEDAL OF HONOR

## Why was the Correctional Medal of Honor formed?

Acts of valor are a common occurrence in our profession. Every year throughout our correctional facilities officers perform great acts of courage, usually under extreme conditions and without recognition for their efforts and sense of personal safety. All too often, these acts of heroism are overlooked, and unfortunately never given recognition by the general public, the media, their departments, and regrettably their own unions.

As Corrections Professionals we are constantly striving for image enhancement, updated state of the art safety equipment and supplies, and ultimately keeping the public informed about the dangers surrounding the corrections profession.

In our continuous efforts to keep our corrections professionals at the forefront of the Law Enforcement occupation, we have planned the American Correctional Officer Medal Of Honor Award distinguishing those officers who have performed selflessly and without regard for danger to themselves in performing their everyday duties.

## How do I nominate someone for a Correctional Medal of Honor?

As long as the person being nominated is a sworn correctional officer, all you need to is:

- Download and Complete all sections of the application. Applications not fully completed will not be processed.

- Attach any newspaper articles, reports, photos, or any relevant information on the incident.

- Incident must have occurred within one year of the date of the application.

- Mail completed Application to:

### ACO Correctional Medal of Honor

Rockaway NJ 07866

## Do you have to be a member of ACO to make a nomination or be a nominee?

NO, but the nominee must be a sworn correction officer. Of course we would always appreciate your support and membership.

## How are the Correctional Medal of Honor inductees selected?

The Medal of Honor committee meets once a year to look over all applications, and documentation in order to select the years inductees. All decision of the committee are final.
