Help our Troops enjoy some R&R during their limited down time!

Donate your **NEW** or **USED** DVD Movies. It doesn't matter if it's a Comedy, Drama, TV Series, or Romance as long as the DVD is in **working condition** and not rated over the R-Rating.

Choose a movie from your DVD collection that will inspire them, bring them hope, make them laugh, or just entertain them.

The American Correctional Officer will collect your DVDs and ship them to areas of the World where our Troops are stationed.
